In response to your FIO request, please find the following information: -

An attached spreadsheet showing the budgetary information you have requested in questions 1 to 7 in your FOI application.

In respect of question 8 of your FOI application regarding, 'written correspondence between PCC Philip Seccombe and Government representatives on the issue of funding for policing during his term of office'; I have attached two letters regarding police funding that Mr Seccombe sent to Jeremy Wright MP on this issue. Please note that the all Warwickshire MPs were sent the same letters, which I have not attached in order to reduce unnecessary duplication. I have also discussed this matter with Mr Seccombe in order to identify any additional correspondence with Government representatives and, whilst he has had meetings and verbal conversations with the Home Secretary and Policing Ministers, there has been no further written correspondence.
