

Warwickshire Joint Audit and Standards Committee Report Summary

Meeting Date: 13th January 2021

Subject: Warwickshire Joint Audit and Standards Committee work plan

Contact details: Sara Ansell, Treasurer Warwickshire OPCC
Jeff Carruthers, Director of Finance, Warwickshire Police

Purpose of the Report:

The Warwickshire JASC meets at least four times a year, roughly on a quarterly basis, with the possibility of extra meetings being arranged as and when required. Their role is to provide scrutiny, assurance and resilience to the governance arrangements in place across the PCC and force. The ongoing review and development of the work plan seeks to ensure the committee is effective in fulfilling this requirement.

The attached draft work plan has been prepared to outline some of the upcoming reports and agenda items that are envisaged over the next 12 months and is included for further consideration. The committee are asked to comment, amend and adjust the suggested work plan as they see fit and establish any other priorities that they feel may be appropriate for the committee over this period.

A training programme for members has been prepared, and progress has been made to deliver it, with training on PSD, vetting, ethics, external audit and some general finance training has been delivered to date. The committee have also received various informal updates prior to the formal meetings on the transitional arrangements following the end of the strategic alliance and on finance matters. To sit alongside the training and to further enhance the role of the Committee, a strong working relationship has been forged with the Police and Crime Panel, whereby members attend each other's meetings, which is helping to provide a more comprehensive overview and robust scrutiny process.

Future training and update sessions will be established in line with the committee's comprehensive requirements over the coming months and in accordance with the 1st annual review of effectiveness report which has been an earlier item on this agenda.

Recommendation:

That the Joint Audit and Standards Committee note and comment on the draft work plan, and suggest any changes or additions to the work of the Committee over the next 12 months. The work plan will be updated continually in conjunction with the committee and included for consideration at each JASC meeting.
