

## Warwickshire Joint Audit and Standards Committee Report Summary

**Meeting Date: Tuesday 28<sup>th</sup> September 2021**

**Subject: Quarterly Health and Safety Update Report for JASC**

**Contact details: Tania Coppola, Director of Enabling Services**

### **Purpose of the report:**

The purpose of this report is to provide the JASC with an updated position on Health and Safety issues for the period 1<sup>st</sup> April to the end of June 2021.

### **Recommendation:**

For the committee to assess the contents of the report and to be made aware of the approach taken to dealing and monitoring Health and safety issues at Warwickshire police

### **Background:**

The priority areas we currently focus on within Health & Safety are Training, Risk Assessments, Accident Reporting and Investigations and Management of Contractors. Fortnightly Covid-secure audits also continue to take place.

### **Executive summary:**

Through the revised Health and Safety governance, a new H&S microsite was launched in the last quarter to enable greater visibility on all things health and safety and allow easier access to h&s policy and procedure. Incidents and investigations continue to be tracked through operational h&s meetings.

A review of the H&S policy and procedure has also been undertaken and is undergoing consultation.

The JASC have responsibilities for health and safety within the remit of their terms of reference, as follows:

***Review the governance and assurance arrangements for significant projects and programmes, including health and safety.***
