##### **Emergency Funding**

As stated in my main report to the Police and Crime Panel (PCP), my office have recently been involved in the process of assessing the applications received for the Covid 19 Extraordinary Fund that has been provided by the Ministry of Justice (MoJ). This funding stream is intended to support organisations during the pandemic emergency that work in the areas of Domestic Abuse (DA) and Sexual Violence (SV), in anticipation of increased demand and to improve the effectiveness of new working arrangements. One of the requirements of the fund is that I notify the PCP of which organisations I have recommended for funding.

The funding was split into the following pots for Warwickshire: -

- Up to £96k available for commissioned (or currently granted) domestic abuse services.
- Up to £48k available for non-commissioned domestic abuse services.
- Up to £48k available for sexual abuse / violence services, whether currently commissioned or not.

I'm pleased to be able to report that the OPCC received several applications for each pot, albeit some were not recommended for funding due to lack of eligibility according to the criteria set by the MoJ. Some applications have also been scaled down to ensure that as many organisations as reasonably possible are recommended for funding.

Following assessment, the following organisations have now been put forward for MoJ funding: -

- £35, 030 - Family Intervention Counselling Service (Commissioned DA Pot).
- £58, 919 - Refuge (Commissioned DA Pot).
- £36, 000 - Insight Services (Formerly DACS) (Non-Commissioned DA Pot).
- £11, 359 - Parenting Project (Non-Commissioned DA Pot).
- £28, 930 - ROSA (Sexual Violence Pot).
- £19, 000 - Safeline (Sexual Violence Pot).

**Total requested: £189, 238**

I will update the PCP in due course once news of the funding decisions is received from the MoJ.
