02/09/05/2023	<p><b>CPS</b></p> <p>A conversation was had around the courts and how police officers do not have a single point of contact within the courts when dealing with cases and this can be very frustrating and time consuming and it would be better to have an appointed person to deal with a case from start to finish where possible.</p> <p>PCC would like the LCJB to push for this. DPCC to pick this up with Grace Boughton.</p> <p>A further discussion was had around backlogs, victims not getting their cases to court in a timely manner or at all.</p>	<b>ACTION</b>
